Principal's Message

On behalf of the entire staff of North Quincy High School, I would like to wish the class of 2004 a safe and prosperous future. Hard work and dedication to academics has provided a strong foundation that will serve you well in college, the military, or in the world of work. You were able to surpass even the loftiest goals that were set for you when you first entered North four years ago. This class has excelled academically, athletically, artistically, and in all extra-curricular endeavors. The dedication that you displayed toward your school and your community has been evident in every community and school service activity that you engaged in. The leadership that you have displayed has served as a model of pride and excellence for the underclassmen to emulate. North is a great school because of you!

Do you believe in the curse of the Bambino?

John Purcell

"No. The curse is ridiculous. Things happen for a reason and the Red Sox will win. There are other teams who've never won. Where's their curse?"

Stephen Reardon

"Yes. Have we won a World Series since the trade? I believe in the Letter B curse. Bambino, Bill Buckner, Bucky Dent, Aaron Boone-all of them have cost us a world series or shot."

Julie Zhen

"There is no curse. We're just procrastinating. We can do it next year."

Sean McCormack

"Yes. There is some kind of curse that makes every October miserable."

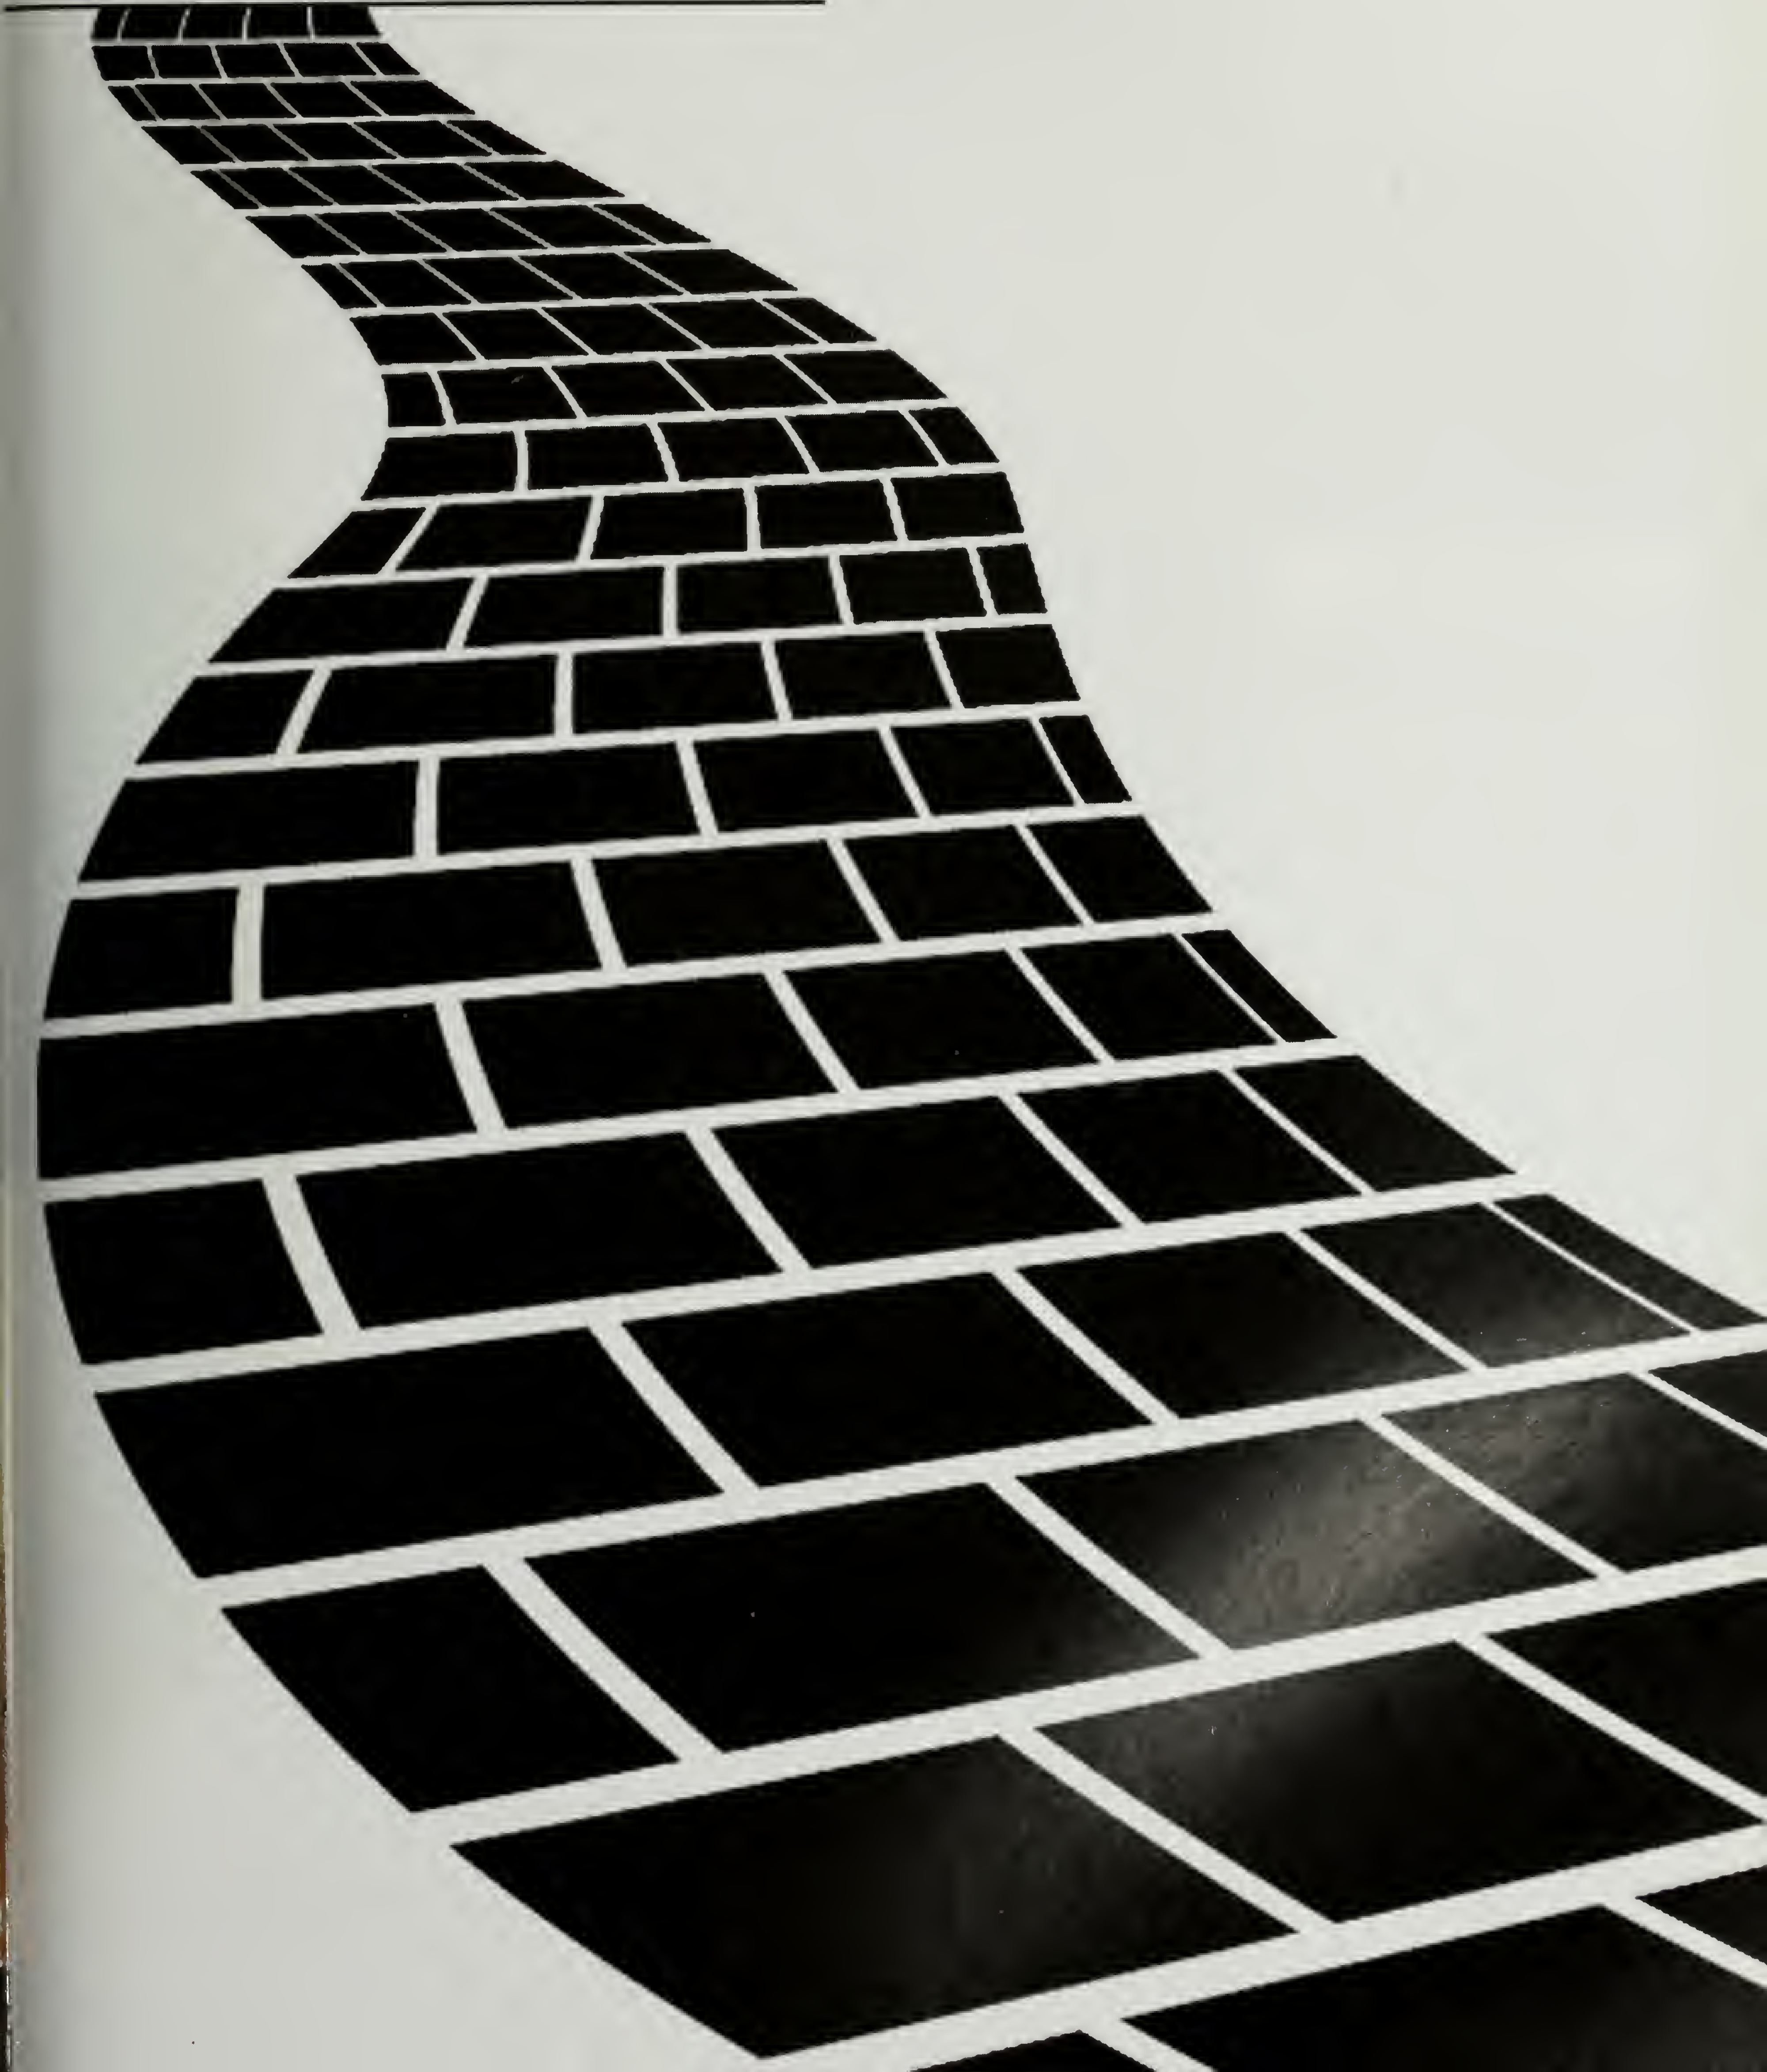
CLUBS



Dance Team

The Dance Team auditions students and chooses them based on their performance. The team performs at the Pride Rallies and in different competitions.

Calculus Team

Students who take calculus compete in school by applying skills and concepts they have learned in class. The team competes at the New England and National levels. One of the two hundred teams nationwide, the North Quincy High's Calculus team has been ranked one of the top twenty in the United States.

Alliance Against Racism

The Alliance provides clinics to students in order to understand prejudice and discrimination along with the harm they inflict on society. The Alliance promotes the tolerance of others and challenges the stereotypes and bias, which cause conflicts among peers.

Ambassadors

Ambassadors represent North at the Middle School Open House in November, the eighth grade call-ups in December, and at other various school events. Students chosen are recommended by at least one Department Head.

Art Club

The art club takes on large scale, community based group projects. The club is open to all students, not just those who take art classes. They have created award winning floats for the Quincy Christmas Festival for the past five years.

Art Gallery

The Gallery Committee produces art shows several times a year by creating and displaying student generated art work. They deal with all aspects of maintaining a professional gallery including curating, advertising, matting, framing, labeling, arranging openings, theme selections, and space maintenance.

Asian Culture Club

The Asian Culture Club is a great way for students to learn about unique Asian cultures. For some students, it helps them connect and take an interest in their own heritage. For other students, it widens their knowledge and exposes them to different Asian culture. As a group, the A.C.C. holds annual events that contribute to the community.

Band

The band practices every day and on Tuesday nights. It presents two concerts a year in the auditorium; one for the holiday season and one for the spring. The band plays at all rallies and football games, and has been recognized as an outstanding marching band in the Quincy City Christmas Parade.

Spectrum

This support and education group promotes diversity, particularly around fighting homophobia and intolerance. They hold both educational and social events both in school and in the community.

Concert Choir

The Concert Choir, directed by Timothy Carew presents many concerts over the course of the school year. Members of the choir participate in a Holiday Concert in the winter and a spring concert. Concert Choir members also learn music through music theory.

Show Choir

The North Quincy High Show Choir directed by Timothy Carew dances and sings show music. The group performs at concerts and special events.

Select Choir

The North Quincy High Select Choir directed by Timothy Carew is an advanced vocal group that sings madrigals, jazz, classical and popular music. The group performs throughout the year at special events, concerts, and school ceremonies.

Book Club

The Book Club was initiated through the efforts of Lily Huang and Evan Allen to provide an open forum for discussion of pleasure reading. Seniors Phuong Ho, Sue Kim, Lucy Lou, Lily Luo, Baochau Trannguyen and Kaitlin Valli form the Executive Board which reviews and recommends selections for the club of over seventy members. Great literature, stimulating discussions and super snacks energize the monthly meetings advised by Mrs. Mitchell and Mrs. Fitzgerald. Thanks and kudos to this year's seniors for providing a solid foundation for The Book Club

Leo Club

The Leo Club is the High School branch of the Lions Club. It is involved in community service activities, carrying on the work of the Lions Club. Since 1917 the Lions have served the world's population through hard work and commitment to make a difference in the lives of people everywhere. The Lions Club is international and the world's largest service club organization.

Philosophy Club

This group meets before school to discuss various philosophical fields of enquiry including: ethics, metaphysics, epistemology, human identity, aesthetics, government, science and progress and other related topics. Classics philosophers are read and discussed as are works in the popular culture that also explore relevant philosophical issues.

French Club

Explores different areas of French Culture. The French Club also helps to organize the Cultural Fair and participate in many other cultural activities.

Patient Care

This is a two year program for students who would like to explore the healthcare industry. Participation is encouraged for both the junior and senior year. After receiving adult, infant, child CPR and 1st year certification, the student will then move into a supervised setting at Quincy Medical Center or a long term care facility. At the end of the student's junior year, the student is prepared to successfully complete the certified nursing assistant exam.

Photography Club

The advisor for the Photo Club is Miss Watson who works with students interested in digital and black and white photography. The students work on extended projects that are not usually offered during school hours.

Air Force Junior ROTC

The mission of AF JROTC program is to build better citizens for America. The goals of the program are to instill values of citizenship, service to the United States, personal responsibility, and a sense of accomplishment in high school students. The objective of AFJROTC is to educate, train high school cadets in citizenship, promote community service, and provide instruction in air and space fundamentals.

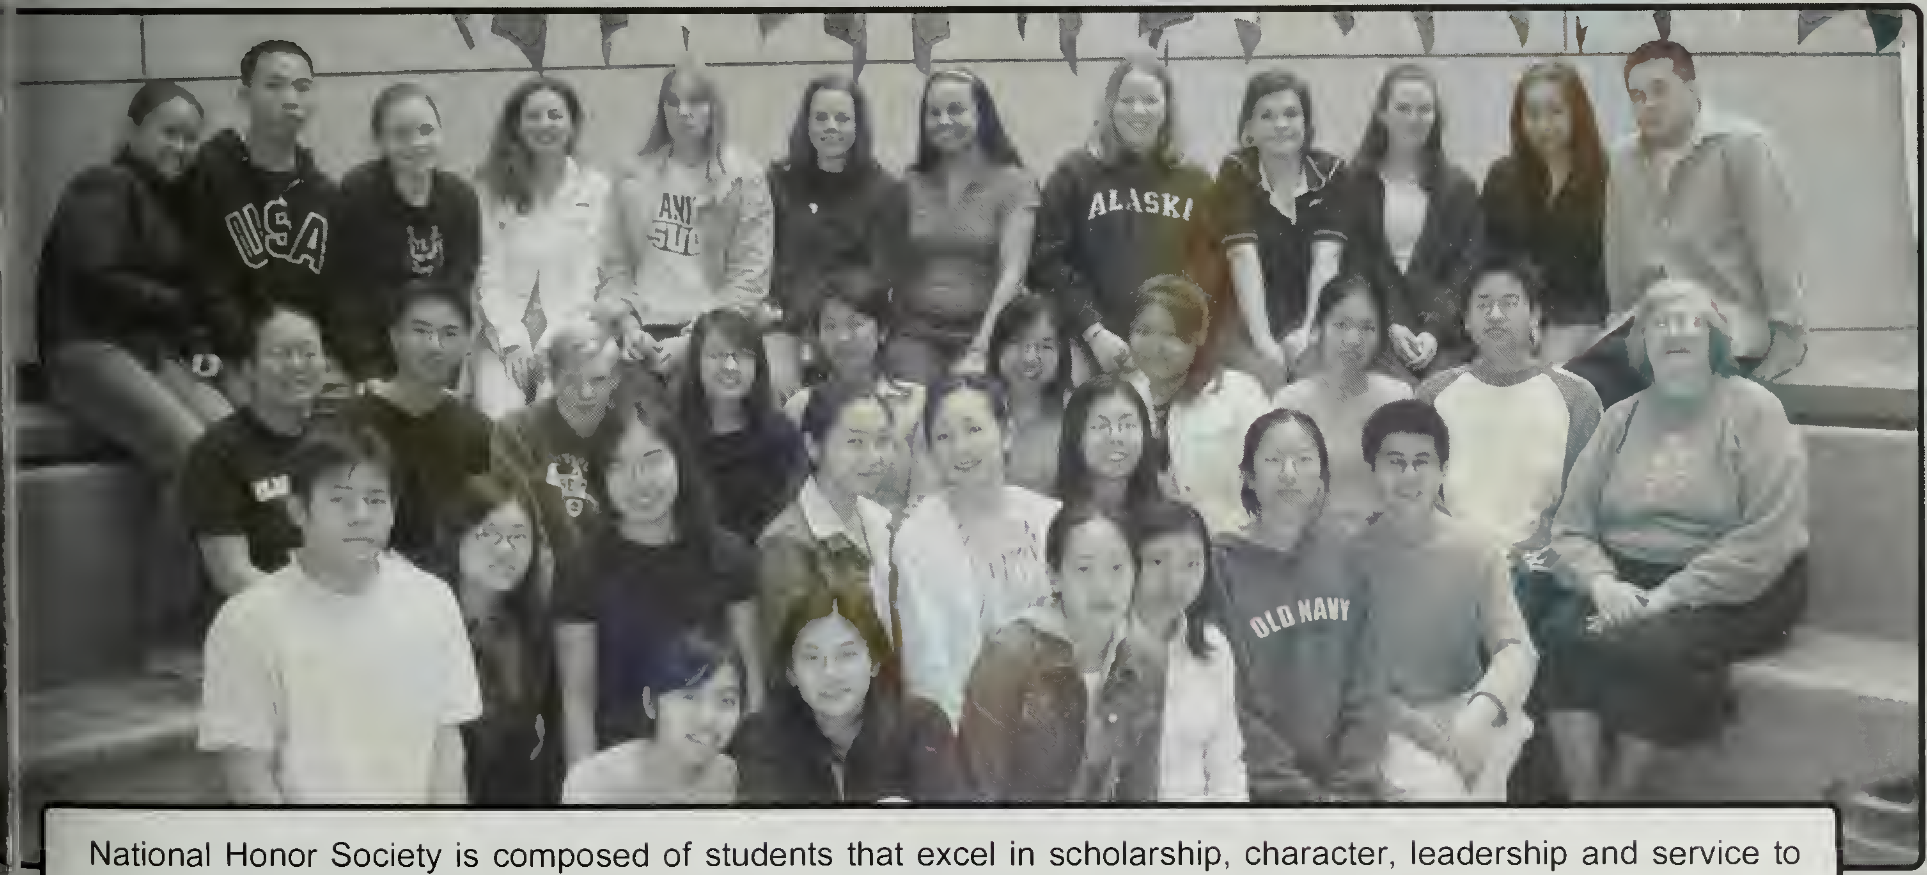
Interact Club

The Interact Club is an organization to raise money and provide humanitarian services for children, senior citizens, the homeless, the disabled and anyone else who is in need of services. NQHS Interact Club works on several projects each year. Most of the service projects will serve the Quincy community and one project will promote international understanding.

Foreign Language Honor Society

The F.L.H.S. is compromised of 75 members honored for their outstanding achievement and excellence in their language studies. To be eligible, students must maintain an honors agerage over a three year period in the same language at the high school level. The F.L.H.S. is both a cultural and service organization, with which several members serve as peer tutors.

National Honor Society



National Honor Society is composed of students that excel in scholarship, character, leadership and service to school and community. It is an honor bestowed by the faculty and is awarded to students who have met the criteria. Before acceptance, students must do an individual service project. The group undertakes a minimum of two major service projects each year. Some of this year's activities included a canned food drive at Thanksgiving and a toy drive for younger children and Christmas gifts for teens.

Choir

The Concert Choir, directed by Timothy Carew presents many concerts over the course of the school year. Members of the choir participate in a Holiday Concert in the winter and a Musical Review in the spring. Concert Choir members also learn music through musical theory, and basic dance.

Spanish Club

Members meet after school to expand their knowledge of Hispanic culture through food tasting, music, guest speakers, and field trips. From time to time, the club does fundraising to help a Hispanic country in need.

Drama

The Drama Club is an extracurricular organization that provides opportunities for students to participate in and learn about aspects of the theatre. Some areas in which students may become involved include: set design, stage lighting, set construction, backstage management, auditioning and acting. The Drama Club produces two plays each year- a Fall production and a Spring production.

Cinematography Club

The art of cinematography is explored by creating screenplays and producing films. Students, using their own personal equipment, write scripts, direct, act, film, and edit productions. There films are then reviewed by members of the club and its faculty advisor Ms. Miller. The ultimate goal is to foster interest and ambitions in this art form.

Peer Education

Peer education promotes maturity in decision making and healthy choices among teenagers in the NQHS community. It consists of dedicated individuals who pledge their commitment to a drug and alcohol free lifestyle and who urge youngsters to do the same.

Robotics

The mission of the FIRST Robotics Competition is to inspire curiosity and create interest in science and mathematics among today's youth by immersing them in the world of engineering and showing the important connection between classroom lessons and real-world applications. From January to February, we participate in the building of the robot that will compete in the New England Regional Tournament in March and compete in the National Robotics Competition in April in Houston, Texas. Students are allowed to attend both these events if they meet the required number of hours on the project.

NQ Class of 2004

CLASS OF 2004, THAT'S RIGHT, WE FINALLY MADE IT!! IT'S ALL DONE AND **WE ARE STILL FRIENDS!**

Graduation is over, it's 95 degrees out, everyone is at the beach, and guess who is in school finishing the yearbook! It took us all year, but here it is. For all the hours spent sitting in Mr. B.'s room, the headaches he gave Rita, the checking of each page again and again, the computer errors, scanning of photos, never thinking we would ever finish, after school for hours, Rita fighting with Mr. B, Kara running from yearbook to practice to choir, and Liz freaking out. It's all worth it now. Thank you to our staff – Mrs. Golden for your support and Mr. B. for not killing us. Good luck to next year's editors, it's a lot of work but have fun! So this is it…

GOOD LUCK CLASS OF '04

Congratulations Class of 2004

Ralph Waldo Emerson said it best…

In Search of Success

To laugh often and much;
to win the respect of intelligent people
and the affection of children;
to earn the appreciation of honest critics
and endure the betrayal of false friends;
to appreciate beauty; to find the best in others;
to leave the world a bit better,
whether by a healthy child,
a garden patch
or a redeemed social condition;
to know even one life has breathed easier
because you have lived.
This is to have succeeded.

Congratulations – Class of 2004

Michelle Pamela Yu:

Life is not measured by the breaths we take,
But by the moments that take our breaths away.
May you have enough happiness to make you sweet,
Enough trails to make you strong,
Enough sorrow to make you human, and
Enough hope and laughter to make you happy.

Close to my heart,
You'll always be,
My Precious daughter (Michelle Yu)
Who means everything to me.

Sharing your thoughts,
Listening to your laughter,
Watching you grow,
Wondering when and if I should let go.

Just remember that wherever you go,
Whatever you do, I will always love you!
XOXO
Mom

We're so proud of you!
